

**EMERGENCY RESPONSE PLAN** Page (1 of 4)

**Chairperson:** \_\_\_\_\_

**PURPOSE:**

To provide guidance for management of emergency discharges of sewer.

**APPLICABLE REGULATIONS:**

None known.

**PROCEDURE:**

1. The Sacheen Lake Sewer and Water District will follow the recommendations of the Wastewater Collection System Emergency Response Plan as prepared by James A. Sewell & Associates.
2. The District Manager shall notify Northeast Tri-county Health and WDOE of any substantial leaks or any leaks that impact surface waters within 24 hours of any identified leak.
