Operator Report: Joni Stillian

-Nathan had to leave town on a family emergency. Joni submitted an advertisement for the WWTO position for commissioner review. Joni will put it in the Newport Miner and on Craigslist and Facebook. She will also call Diamond Lake to see if we can arrange a meeting to see if they can help or be "on call".

-Lake Treatment. Joni reported that Aquatechnex will be doing their survey later this month or early July. They have asked Perry Pearman to take them around again. Shaun volunteered to go on the survey. Rod suggested we meet with the SLA to see if they would increase their dues to help pay for treatment. Randy volunteered to attend the next SLA board meeting.

-Gate opener. Nathan was not here so this discussion was tabled until July meeting.

-Martin Davis Hookup. Mr. Davis has a lot on the other side of Fertile Valley Road. He asked if he is in our district and could he hookup to our sewer system. Commissioners said he is and he can, he is going to contact Pend Oreille County to start the permitting process.

-FAQ. Tabled until July meeting

Public Comments: Wendy Bleecker asked if we are going to replace the playground equipment at the park. Commission stated “no plans to do that right now”.

Jeff Storms asked if he had property on the other side of Fertile Valley Road that already has a drain field does he have to hookup to our system. Rod stated he didn’t know but we need to check with Pend Oreille County.

-The next meeting was set for July 14th at 5:00pm

-C/Carasco MM to adjourn the meeting at 6:27, C/Bleecker second the motion and the motion was passed unanimously.
