Ziply fiber needs a 12 month contract signed if we want to continue with our \$25 month discount. Agreed to go ahead and sign 12 month contract.

We discussed the W&S website and need to remove outdated material. Like the new layout of the Page.

Operator report None this month

Aqua Tech will do survey early in May or June. Shaun will accompany them.

There was a inquiry about hunting turkey on our property. This was a no. Kris called them and let them know.

C/Carasco said we are going to pass on the Scope article at this time.

Karleen Perry from the SLA Board had some issues to talk about:

Grant is still needing the Jarpa permit. Made copy and sent with Karleen. It is no longer the Jarpa permit it is the.HPA permit since 2022.

The park clean up will continue to be done from volunteers of the SLA. In addition to that we need to do fire suppression clean up and trim trees also. The park will be locked daily. And be closed for the 4th of July holiday. If fire hazard conditions are in order the park will also be closed at the discretion of the board. We need to find someone to lock/unlock the park daily.

The sewer system is at about 50% capacity.

MM C/Carasco to adjourn 2nd C/Bleecker Passed unanimously.

The next meeting is scheduled for April 10, 2024.
