Operators report:

No operator at the meeting

Need to discuss snow plowing for this year

Hired Sacheen Sewer Services to vac out Bio Solids from Lagoon 3.

Had extensive discussion on the ecology concerns from the lagoon. Casie Monge was at the meeting it was moved and 2nd to hire her to work on our ecology concerns in October and go from there.

The beaver dams have the lake level up and SLA is requesting we call the beaver trapper. For dam 3. He is going to meet C/Bleecker and Don Hill on Friday to look at the dams.

Public Comment:

SLA would like trappers to be hired for Dam 3 as lake level is high.

There was a survey on wake on the lake.

MM C/Carasco to adjourn 2nd C/Bleecker Passed unanimously.

The next meeting is scheduled for November 13th, 2024
