We have received 30 Donations for levy ranging from 100.00 to 500.00 will send thank you letter.

Griffin pump was tampered with. Replaced with loaner pump, can we leave that pump and charge discounted price 70% of cost. Ok'd by commissioners.

Correspondence from Edward Mann regarding forest management. We declined as we have stewardship with Ecology. We received a letter asking if there was any help with payments available, not at this time. Question if donation is tax deductible, we are not a non profit so do not think so.
