Sheriff Blakeslee,

The Sacheen Lake Association (SLA) has received permission from your office, Ref (B), to have 22 hazard marking buoys on Sacheen Lake. We have determined that an additional buoy should be placed at approximately 48.151063 N, 117.323815W and as depicted below from Google Maps. Our database will illustrate this as buoy #23. It will not be placed until spring of 2026, assuming it is permitted.

The SLA respectfully requests that the Sheriff's Office permit the buoy identified herein and provide written evidence of said permit.

Respectfully,

Grant Miller
